Mr. George Hayes
c/o Times Columbia
351 4th. Avenue
New York, N. Y.

Dear Mr. Hayes;

Mr. Maraniss has just suggested that I write to you regarding the recent shipment of Columbia records to Station WCSR. In checking over the records we found that we had two sets of duplicates. I spoke to Mr. Maraniss concerning this matter and he said that perhaps you would be able to send us alternate replacements.

The duplicated works were:

Mozart...Quintet in C Major. You sent and charged us for both MM 586 and ML 4032. Adjustment: We will keep ML 4032 and return MM 586 to you. In place of the latter will you send us Mozart's Piano Concerto in A major, K. 488.

Chopin...Sonata No. 2 in B Flat Minor, Opus 35.

You sent and charged us for both MM 698 and ML 2025. Adjustment: We will keep ML 2025 and send back MM 698. In place of the latter will you please send us Rachmaninoff's Piano Concerto No. 3.

You sent us ML 4156 which according to the envelope was supposed to be the Mozart Symphony No. 35 in D major, K. 385, "Haffner," on one side and the Bach Suite No. 2 on the other side. The record which we received has the Bach Suite on both sides and they are absolutely identical. I imagine that there must have been some mistake in the cutting so would you please send us the correct recording of ML 4156. We will send you back the incorrect recording.

We will ship these records which are duplicates or mistakes to you upon receipt of a letter from you stating that the plan mee s with your approval. I do hope that it will not inconvenience you too much as you have already been most kind.

I would not ask such a favour regarding the duplicates

were it not for the fact that our station has been given only a small monetary allowance and for that reason we must limit ourselves to one recording of each selection. Therefore we would sincerely appreciate it if you could make such an exchange possible.

Thank you for all that you have done,

Sincerely,

Patricia Bradford Butler
